

2018 BEST IN BUILDING AWARDS SPONSORSHIP

CRBRA MEMBER:

Winning a coveted BIBA Award is a sign of excellence in your field and recognition of superior achievement.

As an event sponsor this is your limited opportunity to be at the forefront of this year's event by aligning your business interests and investment with the best people in the business!

The Capital Region Builders & Remodelers Association is pleased to announce our 6th annual BEST IN BUILDING AWARDS. BIBA is dedicated to recognizing the hard work, creativity, and risk taken by our members in all areas of our industry.

Thanks to the financial support of companies like yours we have been able to very quickly grow this event into a premier night for CRBRA and its members. This year we have even more categories of support for you to consider and if this is your first year of financial support I am confident you will be very pleased with the recognition and respect you will get from our members who highly value doing business with other members!

In closing, I would greatly appreciate it if you would take a moment to confirm your support for our event by selecting your level of commitment and contacting Deedee at 518.579.0066 or deedee@crbra.com.

Sincerely,
